Dear Mr. Freeman, -

In reply
to your letter of the 22nd
inst., I may say that
I got busy at once to
secure the information
you wished to have.

I telephoned a couple
of our oldest residents
who were friends of
the Natters and shall
just give you what
they told me.

John Natter married
Louisa Wells. They had

no children² of their
own but they adopted
a boy called Arthur
who died when just a
little fellow. Then
they adopted another
boy called George who
married Mary West.
They had three daughters,
Louise, Nellie and
Bessie. The only daughter
living is Nellie who
became a trained nurse
and is now Mrs. Clifford
Vandusen of Clifton
Springs, New York state.
Bessie never married
and Louise married
Angus Richardson. They
had four children, Mary,

Agnes, Alex³ and Louise.
Angus Richardson, an
engineer, is married
again and living in
Superior. His daughter,
Mabel is a nurse with
Canadian airlines. Agnes
is training for a nurse
at the Royal Victoria
Hospital, Montreal. Alex
has been in the army
and is now attending
Toronto University and
Louise is still at the
Ottawa Collegiate.

If there is any
further information
you should like me
to get for you, I shall
be very pleased to do
my best.

Hoping that what I

have written, will be
of some assistance
in your work, I

Capt W. R. Freeman,

Dear Sir -

Sorry to have neglected answering your letter of Aug 4.

I regret very much I haven't the information you require regarding the parties you mention. My Brother W. H. has some records, but not so far back.

The only person I know of who would know, is my Mother's brother Norman Wells who lives about three miles north of Brighton.

Or my eldest brother R. P. might be able to furnish some information I am enclosing his address if you care to write

Dear Mr. Freeman :-

To your interesting letter of inquiry of the
Sixteenth Instant, I hasten to reply.

It is a co-incidence that I myself, during my
recent fortnight's Holidays, was making inquiries regarding the
Wells' Families - particularly to establish whether they migrated
directly to Canada from England or Holland, or whether they came
over from the United States with the United Empire Loyalists. In
any event, their Racial Origin or Nationality, would be of interest.

As for the Hawleys, the only contact that I would
know of, where any information might be obtained, would be from Miss
N. May Hawley, A.T.C.M., of Napanee, Ont.

From your letter, I observe that you have already
been in touch with my Uncle, Mr. Norman Wells of Brighton. I would
have thought perhaps that my Grandmother's Bible and Family Records,
would have been in his possession. However, since they are not, I
suggest you write my Sister, Mrs. Hubert Cook of Newburgh, Ont., who
might know something of its whereabouts. She also might put you
in touch with one of Dr. Wells' Daughters or Granddaughters, with whom
she corresponds in Chicago, Ill.

My Sister also told me that Mr. Max Tobey, of Ottawa,
whose Mother was a Wells, a daughter of Mr. Willmott Wells at Brighton,
was compiling a Book on the Wells' Families. I doubt if his Mother
is still living, but Mrs. Cook could possibly tell you where you might
get his Ottawa Address. The Wade's and Bedal's at Brighton, should also
be valuable sources of contact.

I might further suggest your writing Mr. W. C. Mikel, K.C.,
of Belleville, whom I believe is either Secretary or President of the
U.E.L. Association of Ontario.

It would appear that one of the family, a Colonel Wells,
came to Toronto here, and did some development work in the Hill District,
where one sees Streets named Wells Hill Avenue, Hilton Avenue and Wells Street.
I have met a Miss Wells here, who came originally from the Cobourg area.

(PTO)

Hoping you may be able to get the desired information from some of the sources I have mentioned, and that I may have the pleasure of meeting you at some future time, I am

BRIGHTON, ONT.

Dear Mr. Freeman :-

As promised you a fortnight ago, I have been endeavouring to secure some further information for you.

In regard to Hubert Cook's Birthday, it was July 30th, 1905. My Sister, Mrs. Cook, has promised that she will try and contact one of the Haines' Daughters, and find if they know their Grandfather's Christian name.

As for the Mathers at Peterborough ; I have gone into the matter with Mrs. Harnden here, but she can give me no details. However, I suggest that you write Mrs. E. H. Howson, 548 Aylmer Street, Peterborough, and ask her for information as to whether any of the Mathers' children are living. Mrs. Howson was a Lohead - a Cousin of my Father's - and taught in the Peterborough Normal School some years before marrying. She has a Son, the Rev. Donald Howson, in the Presbyterian Ministry in the Maritimes. He graduated from the University and Knox Theological College here.

In my former letter, perhaps I should have given you my Wife's full name - Cora Beryl Rife - Born at Mildmay, Ont., Jan. 10th 1894. The Rife's were Pennsylvania Dutch, and the present Mayor of Guelph is a Cousin of hers.

This would appear to be all the particulars that I can supply at the moment. Mrs. Cook will re-double her efforts to locate the missing Wells' Bible, which would be a most valuable asset.

Again assuring you that it would be a great pleasure to meet you at a future time, and with kind regards, I am

My dear Mr. Freeman :-

To your most interesting letter of yesterday, I hasten to reply, as I have had you much in mind during the last year, and particularly so, after visiting my Brother, Captain J. F. Lohead, 36 Hillside Street, Belleville, at Thanksgiving.

"Frank" tells me that he is quite positive that the Wells' Bible is in existence, and that if he were at liberty, he could locate it - at W. H. Lohead, Centreville. When you write to C. D. Lohead for his Wife's particulars, perhaps you could ask him to make a real search, both at his home and at "Bill's", as it would be of invaluable assistance to us.

I will see Mrs. Hardden in a few days, and will discuss with her about Aunt Louise Mather, who lived at Peterborough. I will also get you Hubert Cook's date of birth.

I am sure my Brother and Sister-in-Law in Belleville, would be glad to see you, and give you all particulars they can. If you cannot visit them, drop them a line. I'll be writing them meantime. She was English born, but came to Canada when quite young.

In my own case, it is quite a co-incidence that ours was a second Marriage between the Rife's and Lohead's, as when I visited one of my Wife's Cousins - a Mrs. Rife of Hespeler, Ont. - she told me she was a Lohead, daughter of John Lohead, who came out from Scotland, and settled in the Galt Area. Our Families were not related that we know of, but many of the Christian Names are the same - William, James, Andrew, John, etc. - and among the women - Agnes, Marion and Janet.

There are also other Lohead's at Brantford, Forest, Ont., and here in Toronto, whose forefathers were Scotsmen, and who may have spelled their name "Lochhead". If you are ever in Napanee, please call on my Aunt, Mrs. A. F. Reid at the Paisley Hotel. She was my father's sister.

I only wish we could get more particulars of the Wells' - that is to know whence they came - perhaps from England ?

Again assuring you that it will be a great pleasure
to meet you at some future date, and if you are ever in the City
here, we will expect you to come and be our Guest, I am

Very sincerely yours,

Mrs. Edward Sanford
100 Cleveland Avenue
Toronto, 12
Ontario

Dear Mrs. Sanford,

I am certain that you will be quite surprised to have a letter from me, but this old world has many strange things happening.

Some years ago, I began writing a genealogy of the Rogers family. At first it was mere curiosity, but my interest grew and gradually, my records became very large and my correspondence too. Needless to say, I am deep in the work and now hope to have the findings in book-form.

One of the early Rogers daughters, Amy by name, married Martin Hawley. There were fifteen children from this union. One, Annie Hawley, married S. D. Sanford, which, of course brings in all the Sanford picture. Another, Agatha, married James Wells, which brings in the Wells family. You can see from this that both sides of your family are involved in the story.

When May Tobey was able to write, I urged him to take an interest in the

Wells history, as I thought it would keep his mind
free from his worries. At that time, I did not
know that Jesse Wells came into my work,
in fact, I discovered this about a year ago.
I intend to write to him again, but he may not
be able to do much about it, as he told me
that his mind would not concentrate on his
attempts to work. Poor May. what misfortunes
he has had.

I was going over to see Dora, but I had a
letter from Mrs. Rogers to-day and as she mentioned
you, I decided to write to-night, since you
could help more than Dora. I have collected
quite a bit on the Sanfrans and have an out-
line of the Wells family, but it is far from
finished. Would you be interested in assisting
me?

As to the children of Jesse and Azuba Wells,
I have these: Wilnot James, Elcott B. . . .,
Charles Russell, Harriet, Clarinda, Louisa and
Jane or Jennie. I would like to know what
the initials stand for, as I wish complete names
and dates. Should you have any births,
marriages or deaths of these I would be glad
to have them. Jas. Fiquier told me that
Jane died young, but Mrs. Hughes writes that
she married a Mr. . . ., nephew to John
Mr. . . ., who married Louisa, but she could
not recall his Christian name.

As to the branches to which you belong, I be-
lieve I have a bit more than the others.

Clara and the Rev. J. J. Roe. I understand that she was the only child. Georgia, who married Richard Southwick had, I believe, ^{three} ~~two~~ children. Jas. Squires said that ^{Harriett} ~~Harriet~~ married a Mr. Russell, but I have not her address. Perhaps you can supply it. I know nothing of William. As to your own family, I would be very grateful for a complete record, as this enters the history twice and would serve both purposes. I trust that you do not mind letting me have all particulars.

Now, I must stop, as I fear that my numerous questions will be worrisome to you. However, I hope to have a thorough record and while I am caring for Mother I wish to finish the work. After Mother leaves me, I may not have so much time to spend upon it. You might be interested to know that Mother will be seventy - eight on Dec. 15th and she is quite active. I shall miss her very much. When the time of parting comes, for we have been together so long. However, such is the course of life.

I trust that you are well and enjoy life in Toronto. As to the boys, I have lost them completely since they left the college. They were good boys and you have every reason to be proud of them. I hope all goes well with them. Please forgive my long letter and may I have the pleasure of a reply

Yours very truly

Dear Mr. Freeman:

Some of the delay in writing you has been caused by my waiting to get into some old stored files, since that has not been accomplished I am giving you some of the information you wished:

- ✓ 1. I do not know what the initial (middle) of Harriet Wells could be.
- ✓ 2. My information is that Charles Russell Wells never married.
- ✓ 3. Gladys Wells Foreman was born July 25, 1895 - I'm sorry if I gave you a year later as it is 1895. I am writing her to send you direct the information concerning Maurice (her husband)
- ✓ 4. I was married to Fred LeRoy Page January 26th, 1918 in St. Paul, Minnesota. He was born in Jackson, Minnesota, November 5th, 1892.
- ✓ 5. Webster Eugene was married (will get this). He died November 2nd, 1924. Minnie Leman (his wife) was born Mar. 30, 1899, Webster Eugene (their son) was born Apr. 12, 1920 and Margaret Elizabeth (dau.) born Dec. 12, 1921 was married Nov. 13, 1943.
- ? 6. My Father's name was FREDERICK Alexander.

✓ The information you listed regarding the marriage date of my Father's parents suits me - and he was married to my Mother September 30, 1894.

✓ I have no date except Sept. 1869 for the marriage of Joshua Webster Wells to Margaret Rawson. Long after the information had been typed and approved by the D. A. R. and after my Mother's Death, among her things we found the marriage certificate of my Father's parents and as I recall

the date of that certificate was two or three months after September 1869, but certain of the bible records were made to show "September 1869" and it's as good a date as any.

I've been trying to do some work for you on the Rogers name and may get somewhere with some Roger ancestry.

1
Mother gave me the information regarding the date of Father's birth and that is the date shown on the tombstone May 7th, 1870. Sometime when I'm in Grand Rapids, Michigan, I'm going to see if they had any records of vital statistics at that time.

I'm glad to get acquainted (even thru correspondence) with someone as interested as I am in this work.

With best wishes for a Merry Christmas,

Sincerely,

Margaret W. Page

The above was the information I had when I proved the Webster lineage for my second car in the D. A. R. for I joined under the Hall lineage. I notice you have more information than I had regarding Margaret Rawson. When I tried to run down my ancestry I got nowhere fast. It seems my Father's parents had not been married the customary nine months when my Father was born. They left Canada and went to Grand Rapids where they were married. Also I believe the date I have of their marriage was not correct for I believe they were married only about five months when he was born. My mother knew this as my Father had told her, and it was not until shortly before she died that I ran into this information. This older generation seemed to think this a black mark that couldn't be climbed over. Finally when Aunt Jennie found out I knew about it (and didn't mind at all) she gave me what information she had. I think the bible record as to the marriage isn't quite correct, but it shows a marriage of not nine months. He died however in March 35, 1902 (that I know). His name was Fred Alexander. Both my Sister and I are childless, but my Brother Webster Eugene (now dead) left two children and I shall ascertain their birth dates and the marriage of one and send to you later.

The information about Josie Webster I have is that she was married to a man named Webb (and she was not William as you have it) Tobey. He was a minister and was in his possession of a bible that he had inherited from his father, the pastor of Joshua Webster's church. He was a minister, and a minister. The record of the article gave the date as March 13, 1878. I have the pictures of Joshua and Rebecca Webster. Marshall Tobey is now very ill in Canada, however he is still in full vigor. Ottawa, Ont. He was very interested in the family history. Of course it is a subject dear to my heart and extremely fascinating.

The legend behind my Father's birth was that he was really the son of Henry (who died of T. B. as a young man) and that the second son Joshua stepped in and married Margaret Rayson. However if the information I have is correct that could not be for Henry died a long while before my Father was born. However I do know that Margaret and Joshua had been married only a few months and that the record is not correctly shown in the Bible.

Isn't it wonderful that we live in a generation that can go on living in spite of a land like that.

It occurs to me that your ancestor Jesse (married to Azubah Hawley) must be a cousin of the first Joshua listed in my genealogy so it may be that the information I have given you is tied up with yours and we may get some more.

I've wanted to do more with this. I have connections in Bridgeport Conn. and drove thru Hartford, Conn. and saw the old Daniel and Noah Webster homes in Conn. Where do Daniel and Noah lie with our families? Sometime undoubtedly I'll spend sometime in Conn. and when I do I want to do considerable work in the Hartford Cemetery.

I hope you will overlook an extreme delay in answering your letter, it was not for lack of interest, but I was out of time and I wanted to write you at length.

With best wishes, and hoping to hear from you further with the hope that we can get the tree fixed up - I'll also give you the complete information regarding my brother's children.

Sincerely,

Margaret W Page

I notice that I had considerably information regarding the family Wilmut J Welis and Berish - this came from Maxwell Tobey also.

Dear Ray:

I have pleasure in acknowledging your letter of 28th October, and return herewith the first chapter of your work, of which I have kept a photo-static copy. I will be very grateful for any subsequent chapters that you are able to send me.

I have been able to gather up a little more information for you as follows:

Maxwell Tobey

I enclose "The Canadian Surveyor" for ^{July}~~June~~ 1942 which on page 29 has a write-up about Max on the occasion of his retirement, together with an Ensign clipping of about the same time which contains slightly different material about the same subject. Mother tells me he was born in Picton (the Ensign was incorrect in this respect) but she does not know the exact date. His father, Milton Tobey, was a tailor in Picton and was likely born there also. The latter was a bad egg who left his wife when Max was a small boy. Dates of birth, marriage and death of Milton Tobey are not known. A sister of Milton Tobey, named Vella Tobey, married Wallace Cochrane, one of the numerous Cochranes who were farmers in the Waite district near Brighton. Ada Cochrane, an unmarried daughter of Wallace Cochrane, lives in Toronto at 2579A Yonge St., Apartment B. Max often speaks highly of her in his letters and in fact he was instrumental in having her call on Mother and visit with her some months ago. I give you this for what it is worth, if any of it is new to you it may give you a lead toward the information you are after.

Rochester Sanfords

I suggest that you might ask Harriett Kennell, whose address you have, for addresses of any of the family still living, which would be available from the Rochester telephone book and city directory. Mother has no definite information, in fact she is very hazy about all the old Sanford family, although she recalls Edward and Trueman, both dentists, and remembers visiting, together with Georgia Southwick, her sister, years ago at the home of Trueman Sanford in Rochester, at which time Anna Munson, his sister, kept house for him, and her daughter lived with them also. This was presumably after Anna Munson's divorce.

Joshua Webster

I enclose a file which Max sent to us re this old gentleman, whose religious turmoils seem almost laughable to read about now, but who was doubtless a fine old character in his day.

I have obtained from Mother the enclosed sketchy outline, without dates and incomplete in many details, of her aunts and uncles on both her father's

and her mother's side of the house, some of which might interest you. I have become so interested in these old people that I decided to sort them all out and get them neatly arranged, as up to now I have had only a vague idea who "Aunt Sophia", "Aunt Hetty", etc. were. I regret that I am unable to piece together my father's side of the house in a similar manner, as Mother cannot give much help and I have never tried to assemble the details before. No doubt my brother Ray could supply quite a bit of this material.

I forgot to mention that Mother told me that her Uncle Joel Webster's family lived in Brighton in the white house just east of Ed Nesbitt's house, and this house was later occupied by George Drewry.

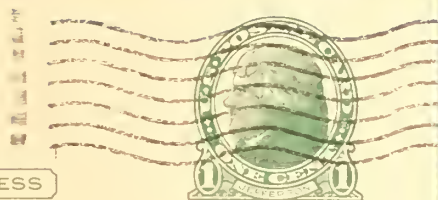

In sending you the enclosed documents, I need hardly mention that we attach considerable value to them and would not let them out of our possession except to someone like yourself who we could be sure would return them to us within a reasonable time after they had served their purpose. The photostat of the Wells and Webster families, of course, you may retain as I have the original.

I wish you every success in your efforts and am sure that you will turn out an excellent job that will make very interesting and informative reading.

Yours sincerely

Earl Barber

Dear Mr. Freeman:-

At long last I have found the energy to answer your letter. I was very happily surprised to get it, for having told you about everything I knew in regard to the Wells family, I thought

I would probably not hear from you again. I have been having the flu since about Dec. 1st and that, with the asthma trouble that I have all the time, has made me feel quite miserable. However, I am better each day, so I'll soon be back in my usual stride.

I want to say to you right here that I was so very sorry to learn of the passing of your mother. Please accept my most sincere sympathy. It is a hard blow to have one of our parents taken from us: for no matter how many years they have been spared to us we are never ready to let them go. And because of your having cared for her so faithfully you are going to miss her so much.

A day or two ago I received a copy of the Brighton Ensign from Norm Wells, and it carried the notice of your mother's passing, and also of Dr. Mackechnie.

You probably saw the same paper, so you know as much as I do about Ada Squier. I had no idea where she lived,

as I never corresponded with her. In fact I hardly knew her. Never saw her but once or twice. I did correspond with the sister but have lost track of her these many years - and I do not know what became of the boys.

Yes. Aunt Louisa married John Mather and they lived in Peterboro. I did not think they had a son of their own - but they had an adopted son - named George. This is as I remember it. but perhaps Jimmy Quincy knows better.

There was a younger sister Aunt Jennie (Jane) who did not die in infancy - but grew to womanhood - and she married a Mather - a nephew of John Mather, her sister's husband. This Aunt Jennie came to Texas to live - and died there. Had the old fashioned lingering consumption. Don't know of any family. My father had a picture of her as a young woman. I think Jennie

Wells, Norman Wells' sister was named after her. I am surprised that Norman did not know the date of birth of either his father or mother. Naturally he would know about his brother as they were twins. The brother Dorman, died a good many years ago. They didn't care much about the wife so I guess she just got lost. no family. Did Norman say anything about his sister, Jennie? They have been estranged ever since the mother's death.

The mother went to live with Jennie and Jennie cared for her all through the last

helpless years of her ^(2.) life. There was some dissatisfaction in regard to the division of the property. I can't understand how anyone - for a few paltry dollars - can relinquish all intercourse with their own family. I told Norm what I thought of it. It is a wonder he did not tell me to mind my own business. He probably thought!! Jeremiah's daughter lives in Newburgh. - and she is cut off from all her relatives except her brothers, through no fault of her own.

In regard to the Logans. I don't just know how I can help. as I do not know their address. I know they live in an apartment building on the South Side in Chicago. - but Chicago is a big town and I might be able to find it and I may not. If I can do so I will, for I want to cooperate in any way I can. If the older sister, Minnie, was living she could be of much help to you, I think. - for she staid in Brighton, long after her mother and sisters came to Chicago. She lived with her grand-mother - Dix.

No - I can not tell you a thing about any of the Cary progeny. - Have no idea where they live. Who is this person who gave you the names of his children? and where do they live? Didn't he say?

Had a letter from Margaret Langdon this morning and she said it was snowing hard when she wrote. Well I hope the snow stays there and don't get here. We did have one snow storm. - and some cold days but it

moderated. and rained so it is now about gone. We have had a peculiar winter. So much cloudy weather. so little sun-shine. I don't like winter very much anyway.

Tell now that I have gotten onto the thread-bare subject - the weather, I think it is time that I said adieu.

Don't think I have given you a speck of information this time. but if you think of anything that I might possibly be able to help in any way, let me know.

Sincerely

Harriet H. Hughes -

P.S. I want to thank you for taking the trouble to arrange the Wells family tree, as you have. If your book never comes to completion. I have enough data that you have given me - that I will know who I belong to.

Dear Sir:-

I daresay if I were more prompt in replying to your inquiries you would get along faster in the work you are doing. To me it seems a prodigious job - but you may have it well in hand as it does not seem so formidable to you.

Since I received your last letter I have been nursing a damaged rib. I had a fall in a very silly way. Started to get up out of my chair and my foot was asleep. It was just as tho there was not any foot there. I crumpled up on the floor and in going down struck my side against the frame of the chair. No bones broken, but cartilage torn. so I have had to favor my self considerably. However it is nothing serious. I think I will live!!

I thought I was completely drained of all information in regard to the Wells connections. but as you mention different ones, memories come back to me of people I have heard spoken of when I was only a child.

If I understood your letter, Dr. Evans wife, Ann - was a Sanford. I thought

she was a Cary. Some of the Sanfords and
the Carys did "emigrate" to the city of
Haukegan-Ills. Dr. Evans had two daughters.
Etta (I think that must have been a nick-
name) and Cora - Etta was somewhat of
an invalid - never married - and I don't
know whether Cora did or not. There were
two Cary girls - Sue and Belle. Belle -
who was quite a beauty, they said, married
Charles Case - and had a very fine home
in Haukegan. I do not know who these
girls belonged to. Whether they were
old Dr. David Cary's daughters or not.
^(more likely grand-daughters)
They are all gone and I know nothing
of their descendants.

My mother was a native of Haukegan-Ills.
and brought up there and she knew
all the Carys long before she ever
knew there was such a person as Chas.
Russell Wells. And so it was with a
Dorman Sanford. He was a young man
who was an admirer of my mother's sister
who was older than she. They say he was
quite an attractive young man - good
looking and a very fine dancer. But
he was rather on the "sporty" side if you
know what I mean - and my mother said
her father did not approve of the match.
I never knew what became of this Dorman
Sanford. My aunt never married - passed
away at the age of 82. But, for heaven's sake
don't put this in your history - or my
aunt would rise up in her grave. She
never told me this - and she would have

As to the Nix family - I'm afraid I won't be much help. Any way - as to dates.

Alcott Nix. son of Henry and Harriet Nix came to Chicago a good many years ago. Also his sister Clara - and for many years I saw a good deal of them. Now they are all gone and those left are scattered. I would not be able to contact them as Chicago is a large city.

Alcott Nix married Harriet Elliott. They had one son - Elliott. and he has one daughter Phyllis. and that is the end of that family. Clara Nix Logan had three daughters. Minnie E. wife of J. D. Dusenbury. Anna - wife of J. L. Sutherland and Bessie (Elizabeth) wife of W. Jones. Minnie Dusenbury - no family.

Anna Sutherland has one daughter - Ora - wife of J. F. Hermann. They have one daughter Betty Ann. High school girl. Bessie Logan Jones has two sons. Delno. married to Blanch - (don't know her maiden name) and Arthur. married to Ethel - don't know her name either. So you see I am a great help!! Neither of the Jones boys have any family.

At the moment I do not think of any incident in my father's career that would be suitable for your book. I don't remember that I said before that he was an outstanding member of the Masonic Order. They kept him in

as His Highness Master year after year. He never went any farther than the Blue Lodge - but he knew that ritual from cover to cover. He was always chosen as installing officer - also to conduct the funeral ceremonies. He had a very fine delivery - which made his lectures very impressive.

Yes - I have no doubt it was Dr. Conger as Dr. Evans that influenced my father to come to Hankigan, and I think it was Dr. Evans that suggested he locate in Hainesville - as there was no doctor there. It was a town about fifteen miles from Hankigan - but it was really not much more than a wide place in the road, so he went on to Hancock - where he staid. He made one or two removals during the first few years but after that - he settled down in Hancock and practiced there until he retired.

No I don't know how the name Russell came into the family.

If I have given you anything at all that will be of any use to you - I am glad - But I'm afraid I haven't - It is all so disconnected. If you think of anything else, let me know.

Respectfully -

Harriet M. Hughes.

Dear Sir:

I am a little tardy in answering your last letter. Please pardon.

Yes - of course - I know the dates of my parents birth. If I omitted it - it was my mistake.

Yes - my father was a physician. His Alma Mater - was the University of Michigan where he graduated and received his diploma in 1866. After leaving college he came to Naukagan - Illinois - where he had a cousin living. (Do you know anything about the Corps. They were cousins of the Wells in some way.) From there he went to Hancock - Ills. where he remained and practiced for many years - retiring from practice in April 1906.

I have often thought I would like to write a book on my father's life. For he had so many interesting and trying experiences. He was very much respected - both for his skill and his humanitarianism. Country practice was much different in those days - than it is now. Our Illinois has black prairie soil - which is fine for production - but not so good when it rains. There were no

convenient roads in those days as there is now. and no automobiles. and as there were not so many doctors. he had a circuit of many miles. and after driving through the deep mud or the deep snow in winter he returned home weary and worn. But my grand mother was always at hand to believe him in any way possible. (I see I have gone far afield. you will not care for these ancient family reminiscences for your history.)

To go back to these Carrys. Has anyone ever told you about them? I don't know what branch of the family they belong to but I know they were my father's cousins. Where or if they came from Canada I do not know. The Sanfords are also cousins but I do not know the connection. The Brighton folks ought to be able to give you some information on that.

Yes, I think there was a Charles in Uncle Wilbur Wells' family. but I do not know where he comes in.

And the Nix family. Elcott Nix - and Clara Nix Logan Sturtevant ^{and families} all living in Chicago and we being together so much I might tell you a little about them - but no dates. Elcott + wife + sister Clara are all gone but the children are still living in Chicago. I am so weak on dates. if all my schooling depended on dates. I would still be in the kindergarten!

I am so glad to know that Jimmie Ogner is interested in your work. It will give him something to think about.

(over)

Have not heard from him lately - but I
write to him just the same whether
he answers or not. For I try to cheer him
up all I can.

If you think of anything else
that you think I might know (which
I probably will know) just let me
know - I will do the best I can.

Dear Sir: Am 12 Sept. 1944.

Your communication received - and
will say, to begin with, that - I am
very much interested in the work
you are doing. I should be most
happy to cooperate with you in any
way I could - but am afraid what
little knowledge I have of the Wells
family will not be much help to you.
I had never heard of the Rogers name
in connection with the Wells family
but I did know that my grand-mother
Agubah Wells - was a Hawley. I see
you have the date of the marriage of
Jesse Wells to Agubah Hawley - They
had a family of seven children - viz -
Helmut - married to Berish Webster.
Alcott - " " Amanda Harris.
Harriet - " " Henry Nix -
Louisa - " " John Mather.
Clarinda - " " Henry Squint + Jacobs -
Jennie - " " a Mather - a nephew of John
Charles - " " Mather - Don't know his name.
The date of birth of these people I cannot
tell you, except my father, Charles Russell
Wells - born in 1845 - died 1933.
My father was the youngest of the
family - in fact so much younger
that he had nephews and nieces older
than he - That accounts for the "gap"

Wilmot Wells had a family of ten children. Some I never knew - but (those that I have heard of are -

Hebert.

William.

Nettie - married a Tobey - (Max Tobey's mother)

Clara - married to John Rae.

Ethel - " " Ed. Sanford.

Albert. " " Reggie Flindall -

Georgia - don't think of her married name.

The only one of the family living is Mrs. Ethel Sanford who lives in Toronto. Her address is 100 Cleveland Ave. Toronto-12, Ont.

I think she might give you some data if you were to write to her.

Hebert Wells married a Brighton girl - but I can't think of her name. but I know she was a sister of Mrs. Marshall Smith. Some of the folks there in Brighton will know her name. They had two children Fred - and Jennie. Fred is deceased.

Jennie is Mrs. Remyou - and lives in West Plains, Missouri. However, she was born in Michigan - and never lived in Brighton - so she may not know much more than I do.

Clara Wells Rae had one daughter who is now Mrs. Frank E. Hagie. 164 So. 20th St. Richmond - Indiana -

Ethel Wells Sanford has three sons - I think one of them lives in Brighton.

Albert Wells had one son - don't know where he is.

Georgia had two children. Maxwell Tobey can tell you anything about them that you want to know.

The others of Helms-Hells family I do not know anything about. but Estel Sanford could tell you.

Harnet-Hells Nix had a family of seven or eight. all of them deceased. Emma Smith one of the daughters. was the mother of Mrs. Smith Langdon. She may be able to tell you something. She lives there in Brighton. and Jim Ogner and also Norman Hells. would no doubt know something of the Hells history.

Up to me I was born in Illinois - and have lived here all my life. and having no family records all I know is what has been told to me. so the dates - which you asked for, I cannot give you. You may not care to go as far down as my generation - but will say. I am the only child of Charles Russell Hells - born Dec. 17th 1868. Have one son Merlin W. Hughes - born April 12 - 1903. Unmarried.

Maxwell Tobey told me he was trying to compile the Hells history - and I was very much interested and kept prodding him to get it finished up but after he lost his health I knew he could not go on with it. and I was so pleased to know that - there was some one else that was working on it. I do not feel that I have given you much information and

Dear Mr. Freeman:-

I have forwarded your letter and questionnaire to my cousin Maxwell H. Tokey, 231 Fourth Avenue, Ottawa Canada, and asked him to add any data he might have to questionnaire. He will then send on to you. Maxwell has worked many years on much the same material as you are and knew that he would have much to contribute.

If I can be of further assistance, kindly let me hear from you.

Very truly yours.

I am sorry that I can give you no information on the cousins in the other branches of the Wells family - the names are not familiar to me.

Dr. Hagie received his A. B. degree from the University of Illinois in 1909 - his M. D. degree from the same University in 1911. He is a Surgeon - a member of the American College of Surgeons - the A. M. A. etc. - He served in the Medical Corps in the last war.

Dr. Logan received his A. B. & M. D. degrees from the University of Indiana - is now serving in the U. S. Navy as a Medical Officer.

I believe this answers your questions. I hope you're making satisfactory progress -

The City Clerk,
Rochester
N. Y.

Dear Sir,

I am looking for information on a Mr.
Charles Dorman Webb and his wife Margaret
— . He was born in Brighton 5 July 1865
went to Rochester and worked in Faye's Store.
Left and went to Syracuse. I believe he married
Margaret — in Rochester. He died in Syracuse
about 1910 and his body was sent to Rochester
for burial in Greenwood Cemetery.

Should your records show his marriage
to Margaret — , his birth and death and his
death date. I would be grateful for the data. I
presume that his wife was buried in Greenwood
Cemetery also. I understand there were no children.

Yours very truly

W. R. Freeman.

We are unable to locate a record unless the approximate
date is given. We have no Greenwood Cemetery in Ontario.

The G. W. C. T. requests us to publish the following:—

All Grand Lodge officers and Representatives at the last Grand Lodge, and all Deputies of the G. W. C. T. are respectfully desired to wear badges of mourning for the space of 30 days in memory of our departed Brother Henry Squire, who died of congestion of the lungs brought on by over work in behalf of the Cause and Order.

IN MEMORIAM.

Another of our honored standard bearers has fallen! To thousands of the members of our Order in the two Provinces there was no face

known to such a large number as that of our earnest and able Agent, Bro. Henry Squire. Sad will be many a heart to learn that they will see his face no more. We weep as we pen the lines announcing to our friends that on Friday last Bro. Squire died at his residence in Brighton. We have labored with him for the advancement of our great work during the past five years, enjoying the most intimate personal friendship and official relations, and have no hesitation in saying that the loss of no one of our fellow labourers has so filled us with sadness of heart as has his.

He literally died at his post. When we parted with him at the Grand Temple it was with mutual congratulations that another year was to be spent co-operating together to promote the interests of our cause. He seemed then to be in good health. Shortly after he went to the County of Peterboro, and began work with his usual energy. As seen in another column of this very sheet three Temples are reported as having been instituted by him within ten days of his death. Even at the moment when the telegram came with information that he was no more, a newly opened letter was in our hands from him speaking of his encouragement in the work, and saying: "Here is a wide field for labor; we hope to make our cause a power in this country," and this is to us his last message.

invariably find really great men distinguished by their humanity. I remember having read, some time ago, a beautiful story of Count Zinzerndorf when a boy. He was, as I dare say you know, a very great German noble, and loved to do a great deal of good. One day, when he was playing with his hoop near the banks of a deep river, which flowed outside the walls of a castle where he lived, he espied a dove struggling in the water. By some means the poor little creature had fallen into the river, and was unabla~~ta~~may—this
"very night! Show me the jewels."

She took the rabbi to the bed, drew aside the curtain, and said:

"Husband, there are the jewels?"

The rabbi bowed his head and wept.

ing that was now, by the time our school-
boys reached it, enveloped in flames.
The efforts to extinguish it proved ineffectual; and it was soon made clear to all that the building must be abandoned to its fate. The crowd were sinking into a kind of lethargy, when a shrill scream caused every one of them to look toward the direction from which it came—viz. from the eastern end of the burning building, and as they did so a cry of horror came from every mouth. For there, standing on the coping-stone, in a night dress, and her hair floating about in the breeze, was a young girl, who was immediately recognised as the niece of the grocer, and who, sleeping at the top of the house, was forgotten when the family made their escape. Hardly had she been discovered, when a loud crash announced to the bystanders that the staircase, the only apparent means of safety for her, had fallen in pieces before the devouring flames. Ladders were brought, but the longest of them only reached the window of the second story through which the wind drove the flames in fierce gusts. No one surely will hazard an attempt to rescue the girl through that window. Must she perish? No, said one a brave boy to himself, as flinging off his coat, and wrapped a wet blanket round his form, he set himself to the almost impossible task. Arriving at the top of the ladder, he placed the blanket over his head, and instantly disappeared from view. A moment of admiration, followed by a moment of suspense, and now on the top of the burning building
